Before

- Completed in September of 2016, the Hotel Saugatuck is an 18 room bed and breakfast with views of the Kalamazoo river channel to Lake Michigan. This property is a registered Michigan Historic Site and received extensive and detailed attention to maintain its historic integrity and bring the interiors up to a 5-star rating. Bazzani Building Company worked closely with the owner, state and local historic societies to create the outstanding results pictured. It was a pleasure to be part of a team committed to the history of this structure, and to bring a quality establishment back to Saugatuck.
